Four State Farm Show

My son, Tommy, and I traveled to Pittsburg, Kansas for the Four State Farm Show to minister with the Fellowship of Christian Farmers. For two days we witnessed to

hundreds of people from Kansas, Missouri, Oklahoma and Arkansas. There were many who made decisions to follow Christ.

For me, the highlight of the trip was to see Tommy share the Gospel with some of the kids that were there. He ended up praying with about 20 kids to receive Jesus into their lives. Tommy and I also had fun just being together doing things like swimming at our motel and playing miniature golf. I also put Tommy in charge of taking pictures and as you can see he did a pretty good job.

Up-Coming Itinerary

- August 8th - Evangelism Workshop at Faith Bible College in Great Bend, Kansas.
- August 9th - Preaching at Faith Community Church in Great Bend, Kansas.
- September 1-3 - Farm Progress Show in Decatur, Illinois with the Fellowship of Christian Farmers. This is one of the biggest and best farm shows in the world and there will be people from all over the world attending it to learn the latest in agriculture but God has a higher purpose for them to be there. We will be there to share the Gospel with them.
- October 2-5 - Shiprock Navajo Nation Fair. Around 125,000 Navajos gather in Shiprock, New Mexico for festivities and a big parade.

Thank You!

Thank you so much for your continued prayers and support. You make it possible for these outreaches to take place as well as our on-going ministry on the radio and with our Bible correspondence course.

Also, be sure to check out our blog (you can access it from our home page, jeffgossministries.org). I will be sharing updates, testimonies, pictures, and encouragement. We would love to hear what you think of it.

In Christ,

Jeff Goss

Fair St. Louis

On July 4th I along with a couple of volunteers headed to downtown St. Louis for an outreach. We began by passing out tracts in Laclede's Landing which is an area near the riverfront with old cobblestone streets, bars and restaurants. We then made our way to the Arch along the riverfront passing out tracts as we went and having conversations with people about Jesus and how to be saved. Thousands of people of all ages come to this event each year to see concerts and fireworks near the Arch of St. Louis in celebration of our nation's birthday. We need to go where the people are and reach them for Jesus.
