April 2006

Warmer Weather = Great Evangelism

Springtime is upon us and as the weather has warmed up there are a lot more people walking the streets. This means there is more opportunity to reach out to them.

I have been going out with the Friday night Street Teams of the St. Louis Dream Center (SLDC). We have seen many people, mostly kids and teenagers, pray to receive Jesus.

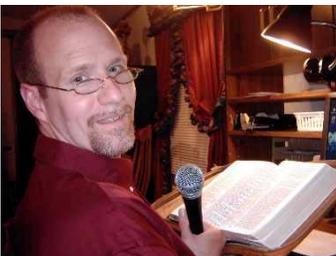

We participated in the Easter Treasure Hunt, an annual outreach of SLDC. Around 75 kids prayed the sinner's prayer with me that day.

Almost every time I'm on duty as a security officer, kids and adults come walking onto the grounds and I am able to witness to them and pray with them to be saved. I then give them Bibles, literature and sometimes food, water and candy.

There has been literally an explosion of salvations. I believe that this is a great indicator of what the summer is going to be like. What a glorious time to be alive and living for our Savior.

Finding Hope Shortwave Radio: Another Station has Been Added

Because of your faithful support, on April 9th Finding Hope was broadcast for the first time on World Harvest Radio's Angel 2 which reaches into Europe and North America. Our program airs at 8:05 a.m. CST after the top of the hour newscast, which is very popular with World Harvest's listeners. If you have access to a computer you can listen to it live from the shortwave radio page of our website, www.jeffgossministries.org. At the bottom of the page there is a chart, and you can click on the appropriate Angel station to listen to it live. You can also hear past programs using the blue buttons in the right column of the same page. Our goal is to eventually be on all five stations that reach the entire world.

Jeff recording Finding Hope.

Julie editing Finding Hope and preparing to send it to World Harvest Radio.

JGM Website

We have been getting hits on our website, www.jeffgossministries.org, from all over the world including Japan, India, The Bahamas, Australia, England, the United States and others. Among the reasons people have visited our website are to find out how to evangelize, and how make and use salvation bracelets as an evangelism tool. The website is a great way to multiply our efforts to reach people for Jesus.

Another Way To Support Jeff Goss Ministries

We have become an affiliate with Christian Book Distributors (CBD). If you purchase a book from them by using the search box on our website a portion of your purchase will be credited to our affiliate account. CBD has a great selection of Christian Books, Bibles, DVD's etc. and sells them at a discounted price.

This is how it works: First, visit the recommending books page under resources of our website (www.jeffgossministries.org). The CBD search box is in the right column. Select a category from the drop down list and then type in what you are looking for. You will be directed to results page on CBD's website. Once there, you have 45 minutes to find and purchase what you desire. (important: do not leave CBD's website during that time or the purchase will not be credited to our account). 10% of your purchase will go to Jeff Goss Ministries.

This is a great way for you to acquire Christian materials and support our ministry at the same time. Remember, use the search box on our website to make sure a purchase will be credited to our affiliate account.

In Closing

Thank you so much for your prayers and support. Many people's lives are being changed because of you. As our support increases we will add more radio stations and be able to buy more gospel tracts, and literature to pass out.

Please be praying for our future outreaches: May 6th - Cinco de Mayo in Kansas City with Fisher's of Men; May 26th and 27th - a tent meeting with SLDC, we will set up a booth and minister with salvation bracelets; Friday night evangelism with SLDC, an outreach into some of the worst neighborhoods in St. Louis.

In Christ,

Jeff Goss
